

CURRICULUM VITAE

Name: Jack S. Remington, M. D.

Date/Place of Birth: January 19, 1931
Chicago, Illinois

Education:

1950 – 1952	Loyola University, Chicago
1954	B.S. University of Illinois
1956	M. D. University of Illinois

Post Doctoral Training:

1956 – 1957	University of California Services, San Francisco General Hospital
1959 – 1960	Resident, Department of Medicine of California Medical Center, San Francisco

Military Service:

1957 – 1959	Senior Assistant Surgeon, United States Public Health Service
-------------	---

Research Training and Experience:

1957 – 1959	Research Associate, National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, Maryland
1960 – 1962	Post Graduate Research Fellow, Department of Medicine, Harvard Medical School and Thorndike Memorial Laboratory, Boston City Hospital

Academic Appointments:

1962	Chairman, Department of Immunology and Infectious Diseases, Research Institute, Palo Alto Medical Foundation, Palo Alto, CA
1962 – 1964	Instructor, Department of Medicine, Stanford University School of Medicine, Division of Infectious Diseases
1964 – 1969	Assistant Professor, Department of Medicine, Stanford University School of Medicine, Division of Infectious Diseases
1969 – 1974	Associate Professor, Department of Medicine, Stanford University School of Medicine, Division of Infectious Diseases
1974	Professor, Department of Medicine, Stanford University School of Medicine, Division Infectious Diseases & Geographic Medicine

Other Appointments:

- 1962 Physician/Consultant in Infectious Diseases, Department of Veterans Affairs, Palo Alto Health Care System, Palo Alto, California
- 1962 – 1994 Chief Consultant in Infectious Diseases, Palo Alto Medical Clinic, Palo Alto, California
- 1966 – 1967 Individual Scientist under the United States-Soviet Health Exchange
Consultant in Infectious Diseases, World Health Organization
- 1966 – 1976 Consultant in Infectious Diseases, Pan American Health Organization
Special Consultant, Proctor Foundation, University of California Medical Center, San Francisco, California
- 1971-1996 Consultant in Infectious Diseases, Department of the Army, Fort Ord, California
- 1972 Advisor, World Health Organization Group on Cell-Mediated Immunity and Resistance to Infection, Geneva
- 1972 – 1976 Scientific Consultant, Merit Review Board in Infectious Diseases, Veterans Administration
- 1975 Consultant in Infectious Diseases, Letterman General Hospital, San Francisco, California
- 1988 – 1989 Member, European and International Advisory Board, European Congress of Clinical Microbiology, Nice, France
- 1991 – 2004 Consulting Medical Staff, Lucile Packard Children's Hospital at Stanford
- 1992 Member, Advisory Board, Annenberg Center for Health Sciences, Eisenhower Medical Center, Rancho Mirage, California
- 1992 Consultant, Division of Antiviral Drug Products, Food and Drug Administration, Rockville, Maryland
- 1992 Member Working Group, University of California, San Francisco, MediCal Drug Program
- 1993 Member, Live *Toxoplasma gondii* Vaccine Subcommittee, National Vaccine Program Office, U.S. Dept. of Agriculture, Frederick, MD
- 1996 Visiting Expert to the Ministry of Health Manpower Development Plan, Singapore
Chairman, Scientific Advisory Committee, Albert B. Sabin Vaccine Foundation (ABSVF)
- 3/1/03 – 9/1/05 Interim Director, Research Institute, Palo Alto Medical Foundation
Acting Vice President for Research, Palo Alto Medical Foundation

Licensure & Certification

- 1957 Licensed, California State Board of Medical Examiners
Diplomat, National Board of Medical Examiners
- 1965 Diplomat, American Board of Internal Medicine

Honors and Awards

- 1955 Alpha Omega Alpha

- 1973 Fellows Award for Clinical Excellence, Stanford University School of Medicine
- 1978 Harry F. Dowling Lectureship and Award, University of Illinois
- 1982 Maxwell Finland Award of the Infectious Diseases Society of America
- 1985 James W. McLaughlin, MD Award from the University of Texas
- 1986 Marcus A. Krupp, M.D. Research Chair, Palo Alto Medical Foundation
- 1987 MERIT Award, National Institutes of Health
- 1987 – 1988 Harry A. Feldman Presidential Award, Infectious Diseases Society of America
- 1988 Alexander von Humboldt Scientific Award, Germany
- 1992 Diplome de Docteur de L’Univesite Paul Sabasier Toulouse, France
- 1996 Bristol Award of the Infectious Diseases Society of America
- 1998 Ludwig Heilmeyer Society honorary membership, Cologne, Germany
- 1999 Award/Gold Medal from the Dr. Frederick-Sasse-Foundation, Berlin, Germany
- 1999 Osler Oration and Gold Medal, Royal College of Physicians, London, England
- 1999 Fellowship, Royal College of Physicians, London, England
- 1999 “Achievement in Medicine” Award from the Santa Clara County Medical Association
- 2000 Fellow, American Association for the Advancement of Science
- Fellow, American Academy of Microbiology
- 2002 Albion Walter Hewlett Award from Stanford University
- Distinguished Career Achievement Award from International Immunocompromised Host Society (ICHS)
- 2002 Stanford University School of Medicine Kenneth L. Vosti, M.D., Infectious Diseases Teaching Award
- 2002 Stanford University Department of Medicine 2002 Infectious Diseases Divisional Teaching Award
- 2006 Distinguished Alumnus Award from the University of Illinois at Chicago College of Medicine
- 2010 Nakano Award, the top scientific award in the category of assessment and Epidemiology from the National Center for Emerging and Zoonotic Infectious Diseases, Centers for Disease Control (CDC)
- 2010 Mentor Award from the Infectious Diseases Society of America (IDSA)

Professional Societies

- 1966 Fellow, American College of Physicians
- 1972 – 1990 Member, Advisory Scientific Board, Gorgas Memorial Institute of Tropical and Preventive Medicine
- 1973 – 1978 Member, Committee on Infectious Diseases, American Board of Internal Medicine
- 1974 – 1976 Member, Research Subcommittee of the California Research and Medical Education Fund, California Lung Association
- 1974 – 1977 Member of Council, Infectious Diseases Society of America
- 1975 President, Western Society for Clinical Research

1978	Member, Advisory Panel American Board of Medical Laboratory Immunology
1978 – 1980	North American Chairman, Section of Infectious Diseases and Virology, Pan American Medical Association
1980 – 1983	Councilor, Western Association of Physicians
1981 – 1983	Member, Parasitic Diseases Subcommittee of the U.S. Army Medical Research and Development Advisory Committee
1982	Member, International Immunocompromised Host Society
1985 – 1996	Member, Scientific Advisory Committee, American Foundation for AIDS Research
1986 – 1987	Vice President, International Immunocompromised Host Society
1986 – 1987	President Infectious Diseases Society of America
1986 – 1988	Member, AIBS-USAMRDC Retroviral Diseases Peer Review Panel
1987 – 1989	Member, AIDS Subcommittee, IDSA
1987 – 1990	Member, Public Policy Committee, IDSA
1987	Member, Toxoplasmosis Pathogen Study Group, AIDS Clinical Trials Group (ACTG), National Institutes of Health
1988 – 1990	President, International Immunocompromised Host Society
1989	Member, Respiratory Tract Infections Subcommittee, IDSA/FDA
1989	Member, Medical Advisory Committee, Passive Immunotherapy Foundation
1989 – 1991	Member, Long-Range Planning Committee, IDSA
1990 – 1998	Ex-officio Member, The Toxoplasmosis Trust
1991 – 1994	Chairman, Nominations Committee, International Immunocompromised Host Society
1991	Member, Membership Committee, International Immunocompromised Host Society
1991	Infectious Diseases Society of America Consultant to the FDA
1993 – 1994	Member, Pragmaton CME Advisory Board
1995	Stop AIDS Worldwide Advisory Committee/Board of Reference
1999	Fellow, Royal College of Physicians
2000	Fellow, American Association for the Advancement of Science
2000	Fellow, American Academy of Microbiology
2000 – 2002	Chairman, Pharmaceutical Relations Committee, Infectious Diseases Society of America

Professional Societies:

Alliance for the Prudent Use of Antibiotics (APUA)
Alexander von Humboldt Association of America
American Academy of HIV Medicine
American Association of Immunologists
American Federation for Medical Research (Emeritus)
American Medical Association
American Society for Clinical Investigation
American Society for Microbiology

American Society of Parasitologists
American Society of Tropical Medicine and Hygiene
Association of American Physicians
California Medical Association
Clinical Immunology Society
European Society of Clinical Microbiology and Infectious Diseases
Infectious Diseases Society of America
International College of Tropical Medicine
Santa Clara County Medical Society
Society for experimental Biology and Medicine
Society for Leukocyte Biology
Society of Protozoologists
Surgical Infection Society
Reticuloendothelial Society
Western Association of Physicians
Western Society of Clinical Research

Editorial Responsibilities:

1973 – 1976	Member, Editorial Board, Antimicrobial Agents and Chemotherapy
1975 – 1980	Member, Editorial Board, Journal of Clinical Investigation
1978 – 1981	Member, Editorial Board, American Review of Respiratory Disease
1978	Member, Editorial Advisory Board, Journal of Immunopharmacology
1981 – 1998	Member, Editorial Board, European Journal of Clinical Microbiology
1987	Member, Editorial Advisory Board, Transplant Management
1987 – 1995	Member, Editorial Board, Journal of Clinical Microbiology
1988 – 1990	Member, Editorial Board, Laboratory Immunology
1989	Member, Editorial Board, The Reviews of Infectious Diseases
1989 – 1994	Member, Editorial Board, Clinical Infectious Diseases
1990	Editor-in-Chief, Residents Forum in Internal Medicine
1990 – 1997	Member, Advisory Board, Host
1990 – 1997	Member, Editorial Board, Internal Journal of Antimicrobial Agents
1990 – 1995	Member, Advisory Board, Zentralblatt fur Bakteriologie (International Journal of Medical Microbiology, Virology, Parasitology and Infectious Diseases)
1991 – 1993	Member, Editorial Advisory Board, Journal of Protozoology Research
1991 – 1993	Member, Editorial Board, Infectious Agents and Diseases
1993	Member, Editorial Advisory Board, The Journal of Infectious Diseases
1995	Member, Editorial Board, Current Science Ltd.
1995	Associate Editor, Mediguide to Infectious Diseases
1995	Member, Advisory Board, Monthly Prescribing Reference (MPR)
1998	Member, Editorial Board, Current Opinion in Infectious Diseases
1999	Member, Editorial Advisory Board, Medscape Infectious Disease
1999 – 2001	Editor: Infectious Diseases, MDVista Journal
2001	Member, Editorial Board, ID News
